Another Brick In Space Ativador Download [Ativador]

Download ->->->-> <http://bit.ly/2NDmSaL>

## About This Game

from outer space flying closer and closer to our planet, and you have to stop their invasion before they get here. Control a space ship and destroy all the bricks, or the aliens will conquer our world!

## CLASSIC GAMEPLAY

- Well-known rules and a new space design;
- Dozens of levels;
- Various brick types, from classic to uncommon ones;
- Power ups and penalties to make the gameplay even more fast-paced.

Dreambakers  
Publisher:  
Dreambakers  
Release Date: 11 Apr, 2018

b4d347fde0

English,German,Simplified Chinese,Russian,Portuguese

---

Decent game, pretty easy. Unfortunately 2 of the achievements are broken. The dev has known about the issue for at least 3 months and hasn't corrected the problem, but has released 5 more games in the meantime. I plan to avoid games from this dev in the future.

Still nothing more than 6 months later, and just over a year since the problem was first mentioned and a fix promised. Useless dev.. Decent game, pretty easy. Unfortunately 2 of the achievements are broken. The dev has known about the issue for at least 3 months and hasn't corrected the problem, but has released 5 more games in the meantime. I plan to avoid games from this dev in the future.

Still nothing more than 6 months later, and just over a year since the problem was first mentioned and a fix promised. Useless dev.. A good Breakout clone but unfortunately very short.

I finished the game under an hour. Hopefully there will be more levels in the future.

[Edit:] 30 new levels had been added with the latest patch.. A good Breakout clone but unfortunately very short.

I finished the game under an hour. Hopefully there will be more levels in the future.

[Edit:] 30 new levels had been added with the latest patch.
